- Ability to dedicate 6-10 hours per week to internship.
- Ability to follow directions and eager to learn.

Pioneer Valley Asthma Coalition (PVAC)

The Pioneer Valley Asthma Coalition (PVAC) is a coalition of health professionals and institutions, community groups and residents, public health organizations, municipal and state agencies, academic institutions, schools, day care, housing and environmental groups committed to improving asthma and environmental conditions that affect health in Western MA. PVAC engages in a variety of activities to improve the quality of life of those with asthma, including promoting best practice asthma care in schools and homes through systems and policy change and promoting reduced exposure to environmental asthma triggers in homes schools, and public buildings through improved indoor air and environmental quality. For more details, visit www.PVAsthmaCoalition.org. PVAC is convened by the Public Health Institute of Western Massachusetts (PHIWM), www.PublicHealthWM.org.

How to Apply

Please send a cover letter and resume to info@PublicHealthWM.org for consideration to our internship program with the subject line Healthy Homes Intern. Thank you.
