

Community Benefit Forums

Advancing Community Health through Assessment and Community Action

Baystate Health (BH) and Health New England (HNE) are pleased to host our first series of in-person Community Benefit Forums in partnership with their respective Community Benefits Advisory Councils (CBACs). Each Forum will include a presentation from executive leadership, the Public Health Institute of Western MA and local leaders of influence.

Baystate Wing Hospital (BWH) & HNE

Friday, July 28 | 10—11:45 AM

Location: Palmer Public Library

Click here or scan QR code to register.

Baystate Franklin Medical Center (BFMC) & HNE

Wednesday, August 23 | 1—3 PM

Location: John W. Oliver Transit Center

Click here or scan QR code to register.

Baystate Noble Hospital (BNH) & HNE

Thursday, August 24 | 1—3 PM

Location: Westfield State University

Click here or scan QR code to register.

Baystate Medical Center (BMC) & HNE

Tuesday, September 26 | 1—3 PM

Location: See registration for details

Click here or scan QR code to register.

By the end of the Forums, we hope participants will have:

- Networked and engaged with local partners
- Received key BH/HNE specific updates
- Highlighted CHNA outcomes and trends, with an emphasis on **Youth Mental Health**
- Connected with resource tables highlighting the community-centered work that is impacting our communities

If you have any questions related to these events please email Brittney Rosario at brittney.rosario@baystatehealth.org or Katie Bruno at kbruno@hne.com.

Registration required. Participants are welcome to attend any of the Forums, although attending the Forum for the hospital community closest to where you live, work, or feel most connected to is encouraged.
