Prior two week period: **1.40%**

Deaths

Total New Deaths in Last Two Weeks

4

131 Cumulative Confirmed & Probable Deaths as of 8/15

Notes

- Data sources(<https://www.mass.gov/info-details/covid-19-response-reporting>)
 - County data and all state data except state death data
 - From 8/19/20 MDPH COVID-19 Weekly Public Health Report Last two weeks are from the period 8/2/20-8/15/20. For prior period, data is from 7/26/20-8/8/20.
 - State death data
 - MDPH COVID-19 Daily Dashboard 8/19/20
- Deaths include probable and confirmed deaths
- MDPH changed their reporting of county data on 8/12/20. Previously, county cases were in the Daily COVID-19 Dashboard report and included probable and confirmed cases. Beginning 8/12/20, county data is now reported in the Weekly COVID-19 report and cases only include confirmed cases. Thus, we are not currently able to show new case county-level data and other county-level data over time for periods prior to 8/12/20.
