

Massachusetts has respened...

...but that doesn't mean COVID safety is any less important! Continue to take steps to protect yourself, your family, and your community:

- · Wash your hands frequently.
- Avoid touching your eyes, nose, & mouth.
- Wear a mask.
 - Unvaccinated: mask required in all indoor settings
 - Vaccinated: mask required only in certain settings (such as transportation, healthcare facilities, emergency shelters)
- · Stay home if you feel unwell.
- · Get tested if you have COVID symptoms.
- Get vaccinated! It's safe and effective!
